Reply to Office Action of June 27 2005  
Amendment Dated: December 20, 2005

Appl. No.: 09/785,884  
Attorney Docket No.: CSCO-002/94701

The rejections are believed to be rendered moot in view of the foregoing amendments.

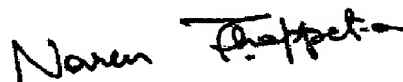

In particular, the art of record does not appear to disclose or reasonably suggest implementation of the elements of amended independent claims in a single device, as expressly recited. The presented dependent claims are allowable at least as depending from corresponding allowable base claims.

5 The subject matter discussed in the telephone interview of November 30 2005 is believed to at least substantially be contained in newly added dependent claims 67, 70, 73 and 76, and are thus believed to be independently allowable.

*Conclusion*

10 Thus, all the objections and rejections are believed to be overcome, and that all the presented claims are in condition for allowance over the art of record. The Examiner is invited to telephone the undersigned representative if it is believed that an interview might be useful for any reason.

Respectfully submitted,

Date: December 22 2005
